

2015

2015 Outreach Summary

Sumner Regional Cancer Center at SRMC is committed to meeting the needs of our community and demonstrates this dedication by providing free cancer screenings and educational opportunities when available. In 2015, SRMC along with HighPoint Health System provided Lung Cancer Screenings with 11 people being screened. 3 patients were recommended biopsy. In addition, over 4000 people were reached at over 12 educational events where cancer information was shared.

Sumner Regional Medical Center Cancer Program was surveyed by the Commission on Cancer this past February 2015 and received Accreditation with Commendation for next three years. We are proud to be the only Accredited cancer program in Sumner County.
